EWB Dessert & Wine Fundraiser .../mposium - Call for

Dear Colleagues,

This email is to notify you of a few upcoming events for our partnering organizations.

Engineers Without Borders UW 3rd Annual Dessert & Wine Fundraiser will be held January 28th, 2008, 6-9 pm on the University of Washington Campus in Kane Hall Room 225. The flyer for the event is attached.

The Vancouver Geotechnical Society (VGS) is calling for abstracts for their 18th One-Day Symposium. The topic is Risk and Liability in Geotechnical Engineering. The event is May 30, 2008 and abstracts are due no later than February 20, 2008. A flyer with additional information is attached.

ASCE Section needs volunteers to staff the ASCE booth at the Engineers Fair, which is part of Engineers Week. The fair will be held on Saturday, February 16th and the booth will be staffed from 9:00 to 4:00. They need two people per hour, or a total of 14 volunteers. The Younger Member Forum (YMF) is also looking for volunteers to help with the popsicle bridge competition. If you are interested in staffing the ASCE booth or helping the YMF with the bridge competition please contact Perry Cole at p.cole@incainc.com or Paul Grant at pgrant@pangeoinc.com (booth) or Doug Knapp at Douglas.D.Knapp@usace.army.mil (YMF). The site is the Museum of Flight.

More announcements concerning our group's events will follow in early February.

Thank you for your attention to this email.

Jeff
